

SPONSORSHIP OPPORTUNITIES

Sponsors are a valuable and critical component of funding in the lifecycle and longevity of historical societies. As a non-profit, 501(c)3 charitable organization, we survive on the generosity of members, private donors, local businesses, and organizational sponsors.

This collaborative community effort is what truly supports our mission which is **to preserve our county history for the generations of tomorrow and to share that history with the people of today**. Any organization that commits funding will be recognized in the community and officially documented in history for their charitable donation.
